YOUR FLIGHT

flight of your life

Floating Images invites you to fulfil a lifetime dream or a desire to experience something completely different - a Hot Air Balloon Flight.

Relive the same sensations that the first French balloonists experienced in 1783, with all the magic and adventure, in today's modern balloons.

Experience the thrill of rising gently above the earth, drifting gracefully, effortlessly and silently through the air. The emotions, the views, the freedom will never be forgotten.

scenic city & country views

Imagine floating majestically and effortlessly over the picturesque South-East Queensland countryside, admire the breathtaking view as it gently unfolds before your eyes.

You will enjoy your balloon flight, which is tranquil yet exhilarating. As the world slowly awakens, you float peacefully overhead, witnessing the serenity in slow motion from our balloon basket.

Floating Images offers morning flights all year round.

Hot air balloon flights are ideal for individuals, family & friends, visitors, social clubs & corporate occasions. Balloon flights are also an excellent tool for corporate team building, social outings, gifts, incentives or rewards for conference activities and business groups.

Fly & see this beautiful region today.

WHERE WE FLY

country & city views

Visiting South East Queensland isn't complete without spending time in the beautiful Scenic Rim region where city & country combine to offer a diverse and exciting range of natural beauty, intriguing history, old-style country charm & man made attractions to suit every style of traveller.

This diverse region is set against the spectacular natural backdrop of the Great Dividing Range. A world of tranquillity, gentle streams, lovely lakes, picturesque forests, plains, valleys, world heritage-listed national parks & historical country towns.

Just a 30 minute drive from Brisbane's CBD, the heritage city of Ipswich is a great doorway to explore this region. Ipswich is Queensland's oldest provincial city with numerous classic 'Queenslander' homes.

The Scenic Rim region's geography & climate are ideal for ballooning. Providing a fantastic situation for our passengers to enjoy superb and glorious views of a city and country balloon flight.

breath-taking experience

Possible views from the balloon include the city of Ipswich, Flinders Peak, Mount Walker, the Great Dividing & McPherson ranges, Mount Tamborine, Moreton Bay, the skyline of Brisbane, Mount Coot-tha, D'Aguiar range, Wivenhoe Dam, the Brisbane, Fassifern & Lockyer Valleys, the Brisbane & Bremer Rivers.

Floating Images provides you with a unique opportunity to explore & discover this beautiful region from the air.

FLIGHT TIME

the ultimate experience

The actual flying time is approximately one hour. The balloon program includes, the inflation, the flight, in flight commentary, deflation, a restaurant champagne breakfast & flight certificate presentation. Please allow 3 to 4 hours.

WHAT TO BRING & WEAR

flying high

We recommend comfortable layers of outdoor clothing to match the season, a hat and sturdy shoes for the morning dew. **NB: No open foot wear or high heels are permitted.** Please don't forget to bring a camera / video to capture this wonderful experience (these items are your responsibility at all times). Bring plenty of film and charged batteries.

YOUR CREW

experience & professionalism

Floating Images Hot Air Balloon Flights is an Australian family business, established in 1998, offering a professional service to our clients.

Our CASA approved chief pilot Graeme Day, learnt to fly balloons in France - the birthplace of ballooning.

He has been flying commercial balloon flights since 1991 with extensive commercial ballooning and aerial publicity experience in Australia, Europe and Canada. Graeme has been employed by various balloon companies across the globe, gaining valuable ballooning and business experience.

In a French newspaper, the journalist described Graeme as: *"An Australian who is raring to go, with an infectious smile revealing his love of an adventurous life."*

This spirit has been captured in Floating Images' charter and will be shared with you on your balloon flight.
