Floating Images may arrange for the hot air ballooning to be performed under a 'code-sharing' arrangement, i.e. it may subcontract another ballooning company to provide you with your flight. In such instances, Floating Images accepts no liability in connection with such services or for any loss, injury, or damage to or in respect of any person or property. Floating Images reserves the right to alter contents of products and location when deemed necessary. Floating Images does however warrant providing services of equal nature and value.

**4. Prices:** - Prices quoted are valid from 1<sup>st</sup> January 2019 until 31<sup>st</sup> March 2020. Pricing after 31<sup>st</sup> March 2020 is available from the company upon request. We reserve the right to change prices without notice. All prices are in Australian dollars (AUD\$), and include Goods & Services Tax (GST) at the current rate of 10%. Due to operational issues, Floating Images reserves the right to alter all itineraries and / or fare details, and choice of balloons.

**5. Payment methods:** - can be cash, cheque, money order, valid credit card (MasterCard, Visa or Amex), bank direct deposit or an approved voucher. Please note, to cover credit cards surcharges, wire transfers, bank and currency exchange rate fees, additional charges may apply. **6. **7. Weather, Mechanical, Staffing & Other Safety Conditions** Hot air ballooning relies on suitable weather conditions in order to proceed safely. Information on specific weather considerations are provided for at the time of making the booking. Additionally, flights may be dependant on mechanical performance or staffing availability. When conditions are deemed by Floating Images to be unsuitable or unsafe to proceed, then trips may not go ahead on the scheduled date. Similarly a trip may be postponed due to less than minimum numbers being achieved. It may be necessary to postpone a flight at any time, if in Floating Images judgment the conditions are not suitable. We reserve the right to cancel a flight at any time up to the moment of launch.

In the unfortunate event that a flight must be delayed, rescheduled or cancelled due to any of the above factors, Floating Images will hold payment in credit and offer alternative booking dates (see section 8). If you are on a 'balloon package' (Eg. *Ballooning, Koala & Cruising Package*) and the flight is cancelled due to any of the aforementioned reasons, the accommodation / meals / transfer portion of the package, if used, must be paid. Floating Images will not accept any liability for travel, accommodation, inconvenience or other costs incurred or lost through such cancellation. International, interstate and country visitors should factor the possibility of short notice cancellation into their plans.

Weather conditions can also affect the duration and route of all flights in all locations. Floating Images endeavours to give each passenger the best ballooning experience possible, subject to the daily wind and weather conditions. With passenger's safety always at the forefront of pilots concern: a flight altered in route, or landing earlier than anticipated, will be deemed as a completed flight for that day provided the flight is more than 40 minutes duration.
